

Discover Senior Living for 55+ at Widlake Properties

At Widlake, we understand that finding the perfect home in our 55+ community is an important decision, and we are here to guide you every step of the way. To join our community, there is a straightforward process to get onto our waitlist, and we highly recommend starting with a personal touch. The best way to begin is by giving us a call to arrange a tour of our beautiful community. During your visit, not only will you experience the elegance and comfort of Widlake firsthand, but you will also have the opportunity to meet our Building Manager, who can explain the waitlist process in detail. We believe that seeing is believing, and a tour will provide you with a clearer understanding of what makes Widlake the ideal choice for your next home. Our Building Manager is committed to making your transition as smooth as possible, and we're here to answer any questions you may have about the waitlist process, suite availability, and how to become a part of our vibrant community.
